Subject: Agenda for March 5th meeting

Hi Laura,

As requested, here is our current agenda:

- Summary of Offset Availability
- New Source Review
 - Use of Internal Bank Offsets
 - Discounting Internal Offsets
 - Discounting ERCs
- RECLAIM Transition Options
 - BARCT Overlay
 - Modifications to RECLAIM while still maintaining an EIP

It is still a work in progress and we can provide you updates as they become available. Are there any items that you would like to include on the agenda?

I don't think we will be ready to have a phone call this week but we would like to schedule a call with your team on Tuesday, March 3rd. What is your availability that day? We are available 11:00am to 12:00 pm and 1:00 pm to 2:30 pm. By that time we should have slides to share as well as a more finalized agenda. We could also do Wednesday but that might be cutting it too close to our Thursday meeting.

Let me know your thoughts and availability.

Regards,
Mike
